Photo permission

Sometimes photos and video images of Scouts taking part in activities are submitted to the local newspapers, Group, Island Scouting Publications, Scouting Websites, or put on display.

When providing photographs for publication, it is worth noting that first names or 'Members of 3rd Peel Scout Group' are recommended as captions. Your child will not have their full name used in conjunction with a photograph unless specific permission is obtained on each individual occasion.

Please indicate your wishes regarding images of your child being used.

I DO/DO NOT give permission for photo and video images to be taken of my child.

I accept that the Scout Group will be keeping information about my son's/daughter's membership of the Scout Movement for Scouting purposes.

I give explicit consent to the holding of information on my Son's/Daughter's health and disabilities, again for Scouting purposes.
